

Lactation Facilities

Summary: See locations of lactation facilities for breastfeeding employees and students.

The following lactation facilities are available to nursing mothers at UCSD.

- **To use the facilities,** register with the Women's Center. You can [e-mail](#), call (858) 822-0074, or visit Building 965, University Center. The Women's Center provides information packets, issues access codes to rooms with Omnilocks, and sends e-mail as new facilities become available.
- **To learn more** about UCSD's lactation program, read [Lactation Accommodation](#).
